Opposition Newsletter

Those in opposition to Band Council and Corporate Law recently issued a press release discussing the resignation of Donald R. Brant, the electoral officer on the Tyendinaga Reserve.

The newsletter accuses Donald Brant of "playing politics" in his statement that "I cannot believe that anyone would want to get on Council had enough to split our Reserve in this way unless he has something to gain personally that they aren't getting from the present Council".

The press release states emphatically that the opposition is absolutely not based on political motivation or personal gain.

The letter re-iterated the irregularities of the referendum vote such as failure to post a voters' list, failure to post the question, the "nebulous wording" of the question, and the fact that no house-to-house census was ever taken to determine the wishes of the people.

The letter also points out some of the conflicting statements

Chief Discusses Industry in Newsletter

In a recent newsletter circulated on the Tyendinaga Reserve, Chief William Brant discussed the background and aims in forming Tyendinaga Mohawk Ltd. Some of Mr. Brant's comments are as follows:

"Councils in the past have tried to get industry to locate on the Reserve, but there have been major holdbacks. In order for a company that would create substantial employment to locate and create revenue to the band there would have to be considerable monies spent on building or renovations to facilitate such an enterprise.

There has not as yet been any company such as I have

mentioned that would located on a short-term permit, which is all a Band Council can issue and which offers no real security for large investment.

For any length of term over five years (which most companies want to protect their investment) we would have to surrender the land to the crown (Federal Government) under a conditional surrender and they would act on our behalf. To date, the people of the Reserve have not been in favour of land surrender, conditional or otherwise, creating a stand off as far as industry is concerned.

... The Mohawk Band Council felt it could get around this bit of bureaucracy of land

Mrs. Effie Fields with a corsage presented to her by the Quinte Old Timers'.

Mrs. Effie Fields Honoured

The Quinte Old Timer's Club met last Wednesday afternoon at a Euchre Party to wish Mrs. Effie Fields farewell.

Mrs. Fields, who is a lifetime resident of Deseronto, is leaving soon to take up residence in Collingwood, where she hopes to find her own apartment.

Mrs. Fields, who is in her 90th year was christened at St. Mark's Anglican Church, and was also confirmed there. She has been an active member

in all groups there.

She ran a boarding house and a grocery store in Deseronto for many years.

Mrs. Fields was honoured Monday afternoon when she was the guest of honour at a neighbourhood tea party at the home of Mrs. George Wakelin, with Mrs. Ross Camp as co-hostess. She was presented with a corsage and a gift.

The Anglican Church Women gave a party in her honour on Tuesday and made a presentation

at the Rectory.

The Quinte Old Timer's also presented Mrs. Fields with a gift and a book with the signatures of all those present.

Speeches of tribute were made by Mrs. Nan Gordon, Mrs. Helen Tunnicliffe, Miss B. Rixen, Mrs. Ethel Brown, Mrs. Wakelin, Mrs. McQueen,

Mrs. Maude Cochrane, Mrs. Margaret Lyons, Mrs. Nancy Teynolds, Mrs. Kemp, and president of the club, Mr. Gordon Walker.

Mrs. Fields will be missed by all the friends she has made in Deseronto and area. We all wish her a successful and happy life in Collingwood.

Mrs. Helen Tunnicliffe, Mr. Gordon Walker, President of the Old Timers', and Mrs. Fields. More on Page 8

made by Chief Brant and the Dept. of Indian Affairs concerning taxation of the profits of Tyendinaga Mohawk Ltd.

Emphasized in the letter are the facts that Tyendinaga Mohawk became a private corporation before the referendum vote, that the Dept. of Indian Affairs is pushing incorporation on the Reserve, the Corporation will be subject to Provincial and Municipal regulations and Provincial taxation, and that Chief Brant stated that he would step down if the people think it is necessary, but has not yet done so.

A Public Meeting was called for Tuesday night to meet with Attorney Malcolm Montgomery from Toronto.

supported by incorporating our own development company.

Tyendinaga Mohawk Limited was created as a development corporation of which leather sewing was to be only one segment. Under the terms of the Charter, this company could branch into most any business except banking, i.e. construction, marinas, food stores, etc. ... as a development company it would:

- 1) create tax free employment for the Indian residents of our Reserve. Indian income while working on a Reserve is income tax exempt.
- 2) Be a source of revenue by which we could build up our capital and revenue band funds. One step toward making our Reserve independent.
- 3) Attract our graduating students as the company branched into different areas thus offering a larger variety of job opportunities.

The reason the Council took the incorporate route was they wanted to show good faith to our non-Indian creditors which was otherwise made impossible by section 89 of the Indian act. . . ."

Mr. Brant also went on to discuss the referendum which was held concerning the ownership of Tyendinaga. From a possible 490 eligible voters as certified by the electoral officer, only 276 votes were cast, of these 163 were against band ownership, 97 were for and 16 were spoiled ballots. Many people indicated at general meetings before the referendum that they did not wish to see the Band Council sitting in a board of directors for fear the corporation would be doing Council business.

Since the company was formed under private ownership the Council has treated it as it would any other company and has absolutely no financial interest in the company.

Mr. Brant went on to state that Mr. C. Brant who has a vested interest in the company disqualified himself from any issue involving Tyendinaga Mohawk, Ltd. and that all funds received as salary by Mr. Brant in his capacity as Industrial Commissioner in connection with Tyendinaga Mohawk were refunded in full after the results of the referendum were known.

Mr. Brant also stated that if there was any evidence that the presence of the corporation would lead to changes in the Indian Act governing taxation, he and his Council would be opposed.

In the same newsletter Carl D. Brant, President of Tyendinaga Mohawk announced that the name of his company is being changed to "Four-B Industries Limited" and that the company has applied for a Federal Charter.

Protesters in Ottawa

Members of the Opposition to the formation of a corporate entity on the Tyendinaga Reserve were scheduled to meet with the Minister of Indian Affairs, J. Buchanan in Ottawa last Thursday.

The delegation was chagrined to discover that, although the Minister had an appointment with the group for 11 o'clock, he was unavailable at that time. None of the deputy ministers for the department were available either. V. Gran, J. Evans, J. Conduet, I. Goodleaf, and J. Deacy, Minister's subordinates were on hand to discuss the matter with the group.

They were questioned as to why the group's attorney's letter was unanswered and were informed that a further period of two weeks was needed to draft a reply.

The opposition group brought to the attention of the department the irregularities surrounding the referendum vote (failure to post voters' list and question for required period of time prior to vote) and charged that the question posed on the vote was meaningless and misleading.

They also demanded an explanation of why the Department had refused to honour the first petition which demanded that the Band Council cease negotiations concerning Tyendinaga Mohawk Ltd. and that they did not want a corporate structure on the Reserve.

The representatives of the Department did not know the whereabouts of the petition, but said that they would do a little research and see if they could ascertain the department response.

Department response had already been revealed in a letter to former Chief, Earl Hill which stated that the individual council members would talk matters over with

Mrs. Allen Walsh, Napanee made a birthday cake and it was carried in by Freda Matthews, sister-in-law of Mrs. Cummings, as everyone sang Happy Birthday. Mrs. Cummings received many presents and good wishes and thanked her many friends for these.

To top the evening off, Mrs. Cummings received a telephone call from her son in San Diego California.

Sunday evening dinner guests of Mr. and Mrs. Merton Cummings, 96 Mill Street, were Mr. and Mrs. Richard Sophia, of Kingston.

"The Mousetrap"

The Lennox Theatre Guild are opening Friday night in what they confidently anticipate will prove to be one of their most successful productions, their presentation of the great Agatha Christie's fabulously successful mystery thriller, "The Mousetrap".

Under the direction of Bob Deuteham, the cast is unusually well-balanced, with each of the parts being almost equally important. Featured in it are Margaret Deuteham, Bob Lawton Corrie Holmes, Jessie Quirt, Percy Weir, Nancy Diamond, Ralph Dale, and Malcolm Smith.

The set was designed by Terry Larstone and executed by Terry Larstone, Dick Dickeson, Barry Young, Bud Acton and Ralph Adams. The other technical supervisors are: Properties - Gwen Finlay, Lighting - Graeme Strong, Sound - Jim Alkenbrack, Costumes - Shirley Dickeson, Make-up - Beth Weir, Special effects - Marlene Finucan, Stage Manager - Heather Larstone. The publicity photos are by G. Webster Photography and the box office is being handled by Gladys Mills.

This initial local presentation of the "Mousetrap" has been eagerly awaited, many local playgoers being most anxious to see for themselves the play that has broken all long-run records of the London stage. The Lennox Guild predicts that their own presentation of "The Mousetrap" this Friday will amply demonstrate why the play has been such a tremendous success.

The opening curtain at the Lennox Theatre, Napanee is scheduled for 8:15 p.m.

Sorry, Our Mistake!

It is not necessary, as stated in last week's Scanner, for the Chief of the Mahawk Band Council to resign before

DEATH

EICHORN, Wilna of Yuma Arizona on September 20, 1974. Beloved wife of Edward J. Eichhorn, of Arizona. Mrs. Eichhorn lived in Deseronto for a number of years and was recently here to visit her many friends.

Funeral took place on Monday, September 23, at the Immaculate Conception Church in Yuma. Recitation of the Rosary was on Sunday, September 22nd at the Kommern Mortuary Chapel.

Palibearers were Cirilo Martinez, Louie Perez, Joe Moreno and Al Doten.

Interment followed at the Garden of St. Joseph, Desert Lawn Memorial Park, Yuma.

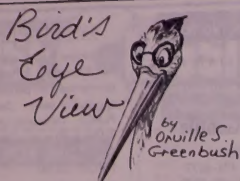

HILL, Mary May of R.R.#1, Deseronto at Belleville General Hospital, at the age of 65.

She was the daughter of the late Bessie Maracle and the late Mr.

Maracle and the wife of the late Floyd Hill. Mr. Hill passed away on August 9, 1974.

Mrs. Hill was a member of All Saints Church. Funeral took place on Sept. 28 with Rev. Cyril Betts officiating. Palibearers were John Baptiste Harold Bond, Harold Foote, Frank Smith, Carmon Lott, and Everett John. Interment followed at All Saints Cemetery.

Well, it looks as if everything's gettin' geared up for the December municipal elections. Everybody and his brother George is runnin', as usual. Why, three people is runnin' fer mayor in Picton alone. Mind, that makes it a lot more interestin' than the days when al' H.J. was around.

I was considerin' runnin' fer somethin' myself, but I think I'll save myself fer the federal elections. Seems to me I could manage the country jist as well as the jokers what's in now. Probably better. An' there wouldn't be no rotten eggs around either.

Been readin' in the paper about all the money the ex-president of the U.S.A. is askin' fer. "Transition expenses" he calls it. That must be one hell of a transition - \$60,000 a year right off, and another \$750,000 or so fer "expenses". Why, it says in there he wants \$5,000 fer printin'. What's he gonna print fer \$5,000 - his monogram on the toilet paper?

Elma and I went to Picton the other night to do some shoppin' and went down East Main there, where they've put in the new lanes in the road. By gal! the traffic sure moves through there a lot faster than it used to. Why, sometimes, you'd have to wait nigh on

half an hour if you were waitin' to git out on Main Street from Paul Street.

Been an awful fuss about the whole thing, though, on account of they took out the parkin' spaces in front of Nourse's and Clapp and Jackson's. Funny thing, though, the people makin' most of the fuss seems to be the same people what got the parkin' spaces took out in front of their places.

Proposed capital forecasts for 1975 by the Lennox and Addington County Board of Education are about \$3,250,000. This figure covers renovations, new building and other capital expenditures for area schools over the coming year.

These estimates are not binding, but are only for information purposes.

Among the expenditures planned are the refurbishment of Ernestown Secondary School, building a hall at Amherst Island Public School, improvements at Odesa Public School, new gym facilities at Golf Course Public School, and renovations at Prince Charles Public School in Napanee.

Plans are going ahead for the proposed updating of the Picton water system. A PUC resolution will be presented at the Town Council's October 7 meeting, to authorize the Picton Utility Commission to issue debentures for the project.

Examination of the system began last spring when it was learned that Picton had been operating on a minus water pressure and if a major fire occurred in the northeast sector of the town, adequate fire protection might not be forthcoming. It was also learned that, if the system were not updated, the housing development in the northeast section might have to be curtailed.

Some of the water mains in this area were installed in 1888. The updating would be sufficient to suit the needs of the town for the next 20 years.

Workers at the striking Emerson Electric Plant in Napanee have asked the federal government to assume control of the plant and to pay wages comparable with other electrical

workers in the area.

The workers charged that the American owned company is not interested in what is best for their Canadian workers, and that a recent offer made to the workers was "more to discourage than to help".

The strike is now in its sixteenth week, and no settlement in sight.

The workers are asking for parity with their counterparts in Trenton.

Prince Edward County Council has endorsed Ameliasburg Township's position regarding the location of the proposed new bridge linking the county with Belleville.

The motion calls for the \$12 million bridge to be located half-way between Rossmore and Rednersville. The location would be a more direct access to Highway 401 and Loyalist College.

Most Belleville officials favour the present site.

A \$756,377 contract for electrical and mechanical services at Prince Edward Heights in Picton has been awarded to Stewart and Hingan Contractors Limited, of St. Catharines.

The work is part of the overall renovation program being carried out at the Heights. The contract will provide a new electrical distribution system and an emergency standby electrical system for the groups of buildings known as the Village Complex and Craig Complex. Completion of the work is expected by August 1975.

Death

JOHN, Francis Clayton passed away at his residence at R.R.#1 Deseronto, on Sept. 30, 1974 at the age of 83.

He was born on the Tyendinago Reserve to the late Joseph John and the Late Samantha Brant.

He was the husband of the late Cecilia Zachariah and the dear father of Roy of Buffalo, New York. He is survived by grandchildren and a number of nieces and nephews.

He is survived by his brother Lewis of R.R.#1, Deseronto and his sister Maria (Mrs. Arnold Bowers) of Hamilton.

He was a member of the L.O.L. Lodge #99 and All Saints Church.

The L.O.L. Lodge will hold a Memorial Service on Wed., October 2 at 8:00 o'clock.

Funeral will take place on October 3, 1974 at 2:00 p.m. with the Rev. Cyril Betts

officiating.

Interment will take place at All Saints Cemetery.

Donations to the All Saints Church would be appreciated by the family.

NOTE: We omitted last week that the Senior Citizens Club # 503 formed an honour guard at the funeral home for the late Mr. John A. Maracle.

the petitioners to insure that they fully understood the use to be made of the corporation and the advantage of it operating on the Reserve.

A discussion then followed concerning the opposition's reasons for opposing the formation of the industry.

The department informed the delegation that they would totally defend all allegations against the band council and provide necessary finances for council.

The group feels that the Department of Indian Affairs had already taken a position prior to the meeting and that they were not prepared to listen to the delegation.

party at the Community Centre.

It has been a busy year for the Guild, since it started its work last September for the 1973-74 term.

There were eighteen regular paid-up members enrolled four associate members and two honorary members. The group mourned the death of one member in March.

Nine business meetings were held in various homes of the members and the average attendance for the year was eleven. There were six work meetings, one pot luck Christmas party and two tea and bake sales, one in October and one in May.

At Christmas time, the Guild helped out with food for a Christmas Party at the Quinte Beach Nursing Home in Deseronto. Also 21 gift packages were donated, wrapped and delivered to patients from our Community in nursing homes in Belleville and Deseronto.

During the year, the Guild catered to Senior Citizen's party and to three weddings. Five card parties were held during April, May and June in the lower level of the Community Centre.

Six quilts were pieced and quilted for sale and raffle. Various members supplied meals for two missionaries here for Mission Week in April.

Generous donations were made to local summer camp at Camp Bay Centre and to the Parish Treasury. Tuition and books were supplied to Sunday School Training Student.

Beginning with the first meeting for 1974-75, the Guild plans another year of service to Church and Community.

ARENA SITE SOLD, POLICE READY TO BARGAIN

Deseronto Council

The regular meeting of the Deseronto Town Council was held on Monday, October 7, 1974. During the course of the meeting council:

- adopted the minutes as read of the regular meeting on Sept. 16 and two special meetings on Sept. 24 and 28. The special meetings were in connection with the Ontario Municipal Board application concerning the water proposal and a by-law authorizing the construction of the Community Centre.

- received a letter from the Ministry of the Environment advising that there will be an Ontario Municipal Board hearing concerning the project unduly. Tenders for construction of the water filtration plant and distribution system should be called next month.

- received a letter from the Ontario Housing Corporation advising that a new survey of need for Senior Citizen Housing will be conducted at that council will hear from them shortly. The OHC also advised that the offer to sell the present Arena site has been executed and enclosed a deposit cheque of \$100. The OHC plans to use the site for Senior Citizen housing, subject to the approval of the Central Mortgage and Housing Committee.

- received a request from Branch #280 of the Royal Canadian Legion to hold a Poppy Day. This was granted.

- received a letter from the Deseronto Police Association advising that they are prepared to bargain and negotiate. This was referred to the Police and Fire Committee, and a meeting between the Committee and the DPA will be held within the next two weeks.

- passed the schedule of accounts in the amount of \$29,074.11. Also authorized the payment of two special accounts one to the Safety Supply Co. in the amount of \$924.23 for fire equipment, the other to Car-Braint Construction for the drainage work done at Metcalfe's.

- Councillor Brooks of the Recreation Committee reported that a meeting of the Committee took place on Oct. 5, and presented the following motions: 1) that the Clerk be instructed to authorize payment of \$100 to Mrs. George Kewley for assistance with her Majorette Corps. 2) that \$25 be paid to K. Clements for goalie sticks. Councillor Brooks also advised that Allen Hubble has been requested to supervise Minor Hockey this winter.

- Councillor Neal of the Property Committee advised that after considerable investigation, it has been found that no agreement was ever made with Canadian National regarding

their walkway along the rail line, and that the insurance policy covering the walk-way should be cancelled. Councillor Neal also advised that insurance should be taken out covering the three furnaces at the Town Hall, the Fire Hall and the Supply Barn at a total cost of \$120 year. The policy will cover service, labour and parts replacement and is with Carrell's Heating.

- the Streets Department reported that they have already hauled 150 yards of winter sand from Fennell's in Cherry Valley, and that they are now drawing winter salt from King-

Mohawks Hire Lawyer

The opponents to the formation of a corporate structure on the Tyendinaga Reserve have retained one of Canada's prominent attorneys.

Mr. Malcolm Montgomery of Toronto is exploring all possibilities and looking into all legal technicalities to assure that the interests and welfare of the residents of the Reserve are protected.

The opposition group reiterates that they are prepared to take whatever steps necessary to ensure the dismantling of The Four B's Ltd. (formerly Tyendinaga Mohawk Ltd.), an incorporated company set up to manufacture leather shoe uppers for Bota Shoes.

In a recent press release, the group commends the young people of the Tyendinaga Reserve for their knowledge of the issue and their role in the dispute.

The release presents two solutions to the issue - the Federal Government and the Band council must honour the wishes of the Native People or chaos and civil disorder

will ensue.

The Federal government has so far opted to support the Band Council.

Montgomery has advised a demand for leasing particulars and a new referendum vote as the next steps in the protest. These demands were presented to the Quinte Mohawk Band Council at their regular meeting last Wednesday.

Montgomery suggested that the group obtain a copy of the lease agreement between the company and the Band Council and find out if it was approved by the Department of Indian Affairs.

If the lease has not yet been signed, and a new referendum vote is taken, Mr. Montgomery feels that the Department of Indian Affairs will be compelled to do something about the situation.

The lawyer also suggested that legal action not be taken at this time, as it would slow up the desired end, that of no corporate structure on the Reserve. Montgomery feels that if the matter is allowed to drag, trouble would ensue.

Deseronto Police Monthly Report

There were three reportable accidents in September, with no persons injured or killed. There were no sudden or accidental deaths reported.

The Deseronto Police Force laid 12 charges under the Criminal Code, 9 under the Liquor Control Act, 21 under the Highway Traffic Act, and 4 charges under other provincial statutes. One tag was issued for parking violations.

The force investigated 37 complaints and received 417 other calls. There were 10 summonses served for other forces.

6 unoccupied house checks were made, and one premise was found insecure.

There was one theft over \$50.00 and 5 thefts under \$50.00.

Value of property stolen totalled \$435.00. Value of property recovered totalled approximately \$5.00.

2 children were reported missing. Total court time accumulated was 23 3/4 hours.

Quinte News Round Up

The Lennox and Addington County library is sponsoring a bus trip to the Royal Ontario Museum on Oct. 17. Of particular interest is the display of ancient Chinese Art.

The Quinte Kiwanis Club is helping restore a cemetery located in Huntington Township near Roslin. The cemetery, over 100 years old are believed to be of Quaker origin with a stone church standing nearby at one time. The area has fallen into disrepair over the years.

Past president of the club Clint Voder said he hopes the church can be restored and the whole area made into a historic site of 1 1/2 acres.

Some of the dates on the tombstones read back to 1864.

The annual Santa Claus Parade will take place in Picton on Dec. 7, leaving the Picton Fairgrounds at 10 a.m. and travelling down Main St. to Lake St.

The parade is sponsored by the Prince Edward Chamber of Commerce and trophies will be awarded to the best commercial entry, best marching unit, best community effort, and best entry by an organization.

The Prince Edward Association for the Mentally Retarded has moved the ARC Industries to a new building in Loch Sloy Industrial Park on Prince Edward Heights, in Picton.

The additional space available means that there are facilities to employ more people. It is hoped that there will be an additional number of contracts awarded to the workshop in the near future. There are presently 12 people employed.

ARC Industries depends for its existence on the continuous and active support of individuals and organizations. The workshop provides a place for the mentally retarded where they can make a worthwhile contribution to the community and at the same time gain a sense of pride and self worth.

Now: a new minimum wage in Ontario

Effective October 1st, 1974

Ontario's new minimum wage covers people employed in general industry, construction work, domestic service, ambulance service, funeral service, including students and learners.

If you or your employees fall into these categories, it is important for you to know what the law now requires.

People employed by agencies as domestics, and people working as funeral directors or embalmers must now be paid not less than \$2.25 an hour. Learners in General Industry must be paid at least \$2.15 an hour during their first month of employment and at least \$2.25 per hour thereafter. People employed in construction work or as construction site guards are now entitled to at least \$2.50 an hour. There is no learner rate for the construction industry. Ambulance drivers, helpers, and first-aid attendants must now receive at least \$108.00 per week or, if they work fewer than 48 hours a week, \$2.25 an hour. Students under 18 who work 28 hours a week or less, or during school holidays, must receive at least \$1.90 per hour.

When employees occupy a room or eat meals supplied by their employer, \$9.00 per week for the room and \$1.00 for each meal or \$21.00 per week for meals or \$30.00 a week for room and meals may be included when calculating the minimum wage.

As for overtime pay, until December 31, 1974, it will be 1 1/2 times the regular pay after 48 hours a week. From January 1, 1975 on, the time-and-one-half rate will apply after 44 hours a week. And from January 1, 1975 on, there will be three more holidays with pay—New Year's Day, Victoria Day, and Thanksgiving Day—added to the current statutory holidays: Good Friday, Dominion Day, Labour Day, and Christmas.

Happenings

Deseronto

Ray Hood 396-211

Sunday is on October 20 with morning and evening services, with Rev. Allan Barnes the visiting minister.

The theme of the Devotional was "Live One Day at a Time".

Mrs. Evelyn Stuart and Mrs. Norman Davis read a story with this topic in which was mentioned "Do not be anxious for tomorrow will take care of itself, and to find God and one day is all that's needed."

Mrs. Evelyn Hawley read scripture from the 14th chapter of Luke.

The Secretary and Treasurer's report was given by Mrs. Pauline Sills. The prayer of dedication for the collection was by Mrs. Mabel Moon - also a prayer of wisdom.

It was announced that church time changes from 10 a.m. to 11 a.m. on October 6.

After the Benediction by the leader, a delicious lunch was served. Thanks and appreciation was extended to the hostess, Mrs. Cummings.

Mr. and Mrs. Leo Palmer

and Mr. and Mrs. Sherman returned recently from a very enjoyable trip to the East Coast and the New England States. They motored around the Gaspe and crossed on ferry to Dalhousie, N.B. While in New Brunswick they called on Mr. and Mrs. M. MacKay who were formerly from Deseronto and neighbours to Mr. and Mrs. Mervin Sherman. They went to Nova Scotia and crossed Canso Strait on Canso Causeway to Cape Breton Island. They then went on the Cabot Trail. They crossed on the Prince Nova ferry to Prince Edward Island and returned home by way of New Hampshire and Vermont and crossed Lake Champlain to New York State.

Mr. and Mrs. L.S. Warner and daughter Janice of Ottawa, spent the week-end with her mother, Mrs. H. McQueen.

Mrs. Lena Rosborough of Demarestville was a guest of Mrs. Jim Hines on Tuesday, also Mr. and Mrs. Coventry of Picton. Callers on Wednesday were Miss Mildred Darlington and Mrs. Cora Young of Oshawa and Mrs. R. McBrien of Belleville.

Mr. and Mrs. Everett Williams of Rochester, N.Y. have returned home after spending their holidays with Mr. and Mrs. Sid Brown. Mrs. Williams formerly Francis Blackburn, lived here years ago.

Next Sunday being Thanksgiving, there will be no Sunday School at the Presbyterian Church. The children will come to church at 9:30 a.m. with their parents.

ject in the Timmins Cabot Area was discussed and the general opinion of the meeting was that the 200,000 acres of Crown land in the north eastern section of Hastings and Lennox and Addington Counties would be an ideal location for such a project, with its access roads, lakes, several rivers and many high hills for winter activities. This will be brought to the attention of the Ministry of Industry and Tourism.

Well, this week-end is Thanksgiving, and Elma's whole family will be comin' to dinner. All seventeen of 'em. I remember last year the whole thing ended in a big fight 'cause Elma's brother George ate up all the punkin' pie afore I'd even had a piece. I got lots o' things to be thankful fer, but George ain't one of 'em, I can tell you that.

One thing we better all be thankful fer is that there warn't another game in the series between Canada and Russia. If there hadda been, Team Canada probably woulda killed one of the referees. Either that or some of the Canadian players would of ended up in the Siberian salt mines.

Hallowe'en is comin' up too, together with all of the shenanigans that go on. I cin remember soapin' a few windows

in my time, and knockin' over a few outhouses with people in 'em, but that weren't nothin' to what goes on nowadays.

Things get pretty rowdy.

Even the little ones what come around to the door dressed up ain't satisfied with just an apple or an orange no more. Now they all want chocolate bars and potato chips. Inflation hits everybody, I guess.

Speakin' of which, I went to help Elma git the groceries Friday night and this lady was ahead of us with about 5 kids in tow. Now, it ain't really any of my business, but this here lady was fillin' up the chips and frozen cakes and pies and such. Now, that's okay if you can afford it, but when this lady was payin' the cashier, I heard her complainin' about the high cost of groceries! Makes ya wonder don't it?

Solandt Commission — Hydro Inquiry —

Notice of additional public hearings into the transmission of power from Lennox to Oshawa

1. Take notice that the Solandt Commission will resume its hearing into the inquiry of the transmission of power from Oshawa to Lennox on November 6th, 1974 beginning at 9:00 a.m. in the United Church of Canada Auditorium, Mill & Emily Streets, Newcastle and for such additional days as may be required and on November 13th, 1974 beginning at 8:00 p.m. in the Kendal Public School, Kendal and for such additional days as may be required.

2. At the previous meetings of the Commission there was public support for alternative routes both north and south of the route proposed by Ontario Hydro in the western part of the study area. The Commission retained Mr. T.W. Sparing to prepare the additional information required for a careful study of these alternatives. The specific purpose of the forthcoming meetings will be to consider these alternative routings and evaluate the feasibility of a more northern and southern route as proposed by the public. The Newcastle meeting will emphasize the southern alternative and the Kendal meeting will emphasize the northern alternative.

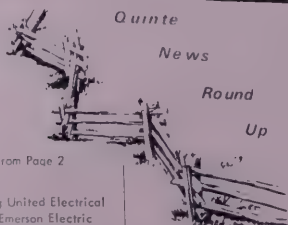

3. Any interested parties who wish to present a brief or make oral representations at the forthcoming public meetings, either personally or through a representative, should indicate their intent to do so in writing to the Secretary, on or before October 28th, 1974. Such parties should specify in writing the area of their concern and indicate the nature of the testimony which they wish to give at the forthcoming meetings, and whether they wish to speak at Newcastle (day) or Kendal (evening).

4. The procedures for the continuation of the hearings will be that previously established by the Commission.

5. Ontario Hydro's report and the Sparing study will be on view in area municipal offices and the Solandt Commission office. Ontario Hydro's report may be purchased from the Ontario Government Bookstore, 880 Bay Street, Toronto, and summaries obtained from Ontario Hydro, Public Relations Division, 620 University Avenue, Toronto 368-6767, local 25729. Copies of the Sparing study are available through the Solandt Commission office. Copies of all briefs filed and a map of alternative alignments will be on view in the offices of the Town of Newcastle, 40 Temperance St., Bowmanville, the Township of Hope, 72 Walton St., Port Hope, the Kendal Public School, Kendal and the Solandt Commission office.

Quinte News Round Up

Continued from Page 2

striking United Electrical workers at Emerson Electric of Canada Ltd., in Napanee received the support of the Quinte District Labour Council last week.

The council, with the Kingston District Labour Council said it will sponsor a full-page advertisement in the local Napanee newspaper to express its support of the 221 workers now in their 18th week of strike action.

Emerson has been accused of strike-breaking, and the workers recently called for the Federal government to take over the plant.

Quinte residents who seek a way around the high cost of natural gas and heating oil by converting to coal are out of luck.

There hasn't been a lump of coal available in Belleville for more than two years.

The two nearest firms with coal available are in Kingston and Campbellford. Customers must go to the firms and bring it back themselves.

Industries who were using coal in the area converted to natural gas when they couldn't

meet the pollution control standards.

Property valued at \$10,500 has been reported missing from Sky-Light Homes Ltd., a plant based at Loch Sloy Industrial Park in Picton.

Company property valued at \$575 was taken in a break-in and shortly afterwards property valued at \$10,000 belonging to a company employee was reported missing.

A spokesman from the Picton detachment of the Ontario Provincial Police said the plant is not staffed daily as the industry is not yet in operation.

Prince Edward County and the Town of Picton have agreed to share a seven and a half percent contribution to the Ontario Housing Corporation in the event that there is any loss from the cost of running the proposed 69 unit Senior Citizen apartment building on Spring Street in Picton.

Under the OHC arrangement it is normally the designated municipality's responsibility to pay the 7½% of operating deficit in such housing projects, with OHC paying all capital costs and the remainder of operating costs.

In May, 1971, the County requested that OHC do a survey of senior citizens housing needs. In September, 1971 the Corporation recommended that 21 single bedroom units be constructed in Picton.

However, in the spring of 1972 it was discovered that OHC was not empowered to enter into an agreement with a non-taxing body (i.e.

the county council) because the municipality of the proposed sites must contribute the 7½% of losses.

When the OHC found that a 69 unit building was needed instead of a 21 unit, the Town of Picton suggested that the County share the levy, as residents from all townships will be eligible to live in the units.

Napanee District Secondary School held a dance, organized by Bob MacDonnell to raise money for the Kelly Tire Juvenile A team's trip to Sweden. They raised \$250.

The team hopes to get more funds from future dances.

The next one is Oct. 26 and will feature the Harmony Kings. Also, a giant skate-a-thon is planned for October 24, and Oct. 27. There will be prizes, including tickets to Sweden.

The Emerson Electric Strike Committee is continuing to apply pressure on the federal government to take over the Napanee electric plant.

Telegrams have been sent to A. Douglas Alkenbrack (MP, Lennox and Addington, Frontenac) and Alastair Gillespie (Minister, Industry, Trade and Commerce) and John Manroe (Labour Minister) who have not yet answered to the committee's satisfaction.

These telegrams advised the recipients that the union had been on strike for 16 weeks and urged the government to intervene because the workers were willing to work if a decent wage was paid.

Last week the committee decided to send telegrams to the same men again, and additional ones to Prime Minister Trudeau, Opposition Leader Stanfield and Edward Broadbent (N.D.P. House Leader).

The budget for the Prince Edward County Children's Aid will not be cut, although the Ministry of Family and Social Services recently suggested a \$5,000 reduction.

The local CAS protested the cut because it would not enable them to offer specialized services.

Tourist Region

Continued from Page 3

The Minister of Natural Resources and the Minister of Industry and Tourism have been advised that the Directors of this Region object strongly to the fact that the Provincial Parks are advertising "No Vacancy" on the radio when Members of the Region in the Vicinity still have vacancies.

Thousands of government dollars as well as Members Fees are being spent every year to bring Tourists to the area, and the government advertising is turning them away.

The Government has been asked to reconsider their effort to establish a haven for incorrigible boys and girls on Little Cashel Lake, to be known as Boys Harbour, Inc. It is felt that this would be a detriment to the locality and a threat to cottagers in that area.

Fingerboards at the inter-

section of Highways have been requested for the Trent Rideau Trail which runs across country from Westport to Campbellford and is a beautiful summer drive for tourists, hikers, etc.

Members of this Region will be attending the SnoGo Show and the Sportsman Show in Toronto as well as one of the Sports Shows in the U.S. to distribute brochures and advertise the Highlands of Hastings.

An effort is being made to co-ordinate the dates of the Winter Carnivals in the County of Hastings.

Mr. Ted Reid from Loyalist College spoke to the meeting suggesting that a training course for part time help for Tourist Operators should be organized in this County to teach them proper housekeeping and dining room service, etc.

The meeting closed with refreshments. The next meeting will be held on October 24.

Medical Centre in Deseronto. Among the guests were Mr. and Mrs. Joseph Reynolds, of Deseronto, Mrs. Lillian Barker, the Brdie's grandmother, of Deseronto, Mr. and Mrs. Marvin Brooks, of Deseronto, Mr. and Mrs. Dennis Yaumans of Napanee, and Mr. and Mrs. Jim Zikovilles, of Kingston.

Opposition Upset by Tax Payments

PAY STATEMENT

PAY STATEMENT

Above are pictured two paychecks with arrows pointing out the items in question.

The group that opposes corporate structure on the Tyendinaga Reserve has charged that the Four B's Ltd. (formerly Tyendinaga Mohawk Ltd.) is violating the present structure of Indian Reserves by deducting Federal Income Tax and Canada Pension Plan payments

from the paychecks of its employees.

Indians earning money on the Reserve do not pay income tax to the Canadian government and are not required to file an income tax return.

The opposition feels that the employees of the company

will find it very difficult to recover the money that has been paid out; even in the event that they each file an income tax return, they will not recover the money until sometime next year (with no interest on their money added). The return of the Canada

Pension Plan contributions would be even more involved.

The group states that some of the employees thought that there must have been a mistake in filling out their paychecks, but the company has continued to make the deductions.

Band Council Signs Lease

At a surprise Council meeting last Wednesday night, Mohawk Band Council signed a 3 year lease with the controversial Four B's Ltd. (formerly Tyendinaga Mohawk Ltd.) a company producing leather shoe uppers for Bata Shoes.

Council signed the lease after leaving the Council Chambers to go across the road to the Band Office, and returning to the chambers.

Councillor Clell Maracle, official spokesman for the group opposing the formation of the corporation, states that the agreement is illegal as there was not a quorum present. He did not sign the agreement as he assumed that when coun-

cil left the chambers, the meeting was adjourned, and left.

Chief William Brant claims there was a quorum present and a negative vote was registered for Clell Maracle, because he was not there and for Carl D. Brant, president of Four B's Ltd., as he declared conflict of interest and refrained from voting, and, as chief, cast the tie-breaking vote.

Four B's Ltd. had earlier arranged for a 5 year lease with the Band Council, but this was later reduced to a 3 year term, with arrangements for two additional 3 year terms.

Councillor Clell Maracle particularly objects to the

assumption that he would have voted negative had he been there, and calls the action illegal.

Complaint re Dogcatcher

According to Deseronto Town Councillor Terry Whalen, dogs are not under control in the town. Mr. Whalen feels that Dogcatcher Thomas Maracle should be called before council.

However, Councillor Peter Dickinson, Chairman of the Police and Fire Committee told council that he has received only one complaint since Mr. Maracle assumed the job.

Bogus \$50 Bills

Police warn that phony \$50 bills are once again in circulation in the Quinte area.

Two have been passed recently in Belleville. Police describe the bills as excellent and say they are difficult to spot.

The orange-coloured counterfeiters of the 1954 series bear serial numbers A/h 9456059 and B/h 3153047, and were noticed because borders were short on one side.

Soccer at NDSS

The Napanee District Secondary School has, for the first time in its history, entered a soccer team in competition.

Quinte News Round Up

The Lennox and Addington County Public Library Board, has been given an Ontario government "Outreach" grant to operate a bookstore at the Tamworth branch. The amount of the grant was not disclosed, but it is to be used to purchase Canadian books in order to sell at the branch.

Emphasis will be placed on paperbacks, although some hardcovers will be available.

The program is based on the recommendation of the Royal commission on book publishing, that libraries sell Canadian books in sparsely settled areas.

The Provincial police warn that persons are phoning in the county, soliciting cash donation for the cornea transplant eye bank. These calls are not legitimate.

Legitimate canvass is being made on a door-to-door basis. The canvassers carry proper identification.

The reconstruction of Dundas street in Napanee may be cut short, if the town decides to hold off on finishing the project until next year.

Construction has moved three blocks since it started Sept. 4

and paving operations on the block between Robert and Centre streets is expected to start early this week.

The \$347,602.20 project was to have completely re-constructed Dundas street from Robert street east to Bridge st. There is only one more block to go at present.

Hillcrest Construction Co. of Brockville has received the contract for reconstruction of Consecration Mill dam.

Work includes rehabilitation of an existing stone wall and pier adjacent to the mill and construction of a new overflow pier and retaining wall.

A plaque in honour of Andrew A. Benvie, organist and choir director of Picton United Church for 26 years until his death, will be dedicated Sunday, Oct. 20.

The plaque is being placed in the church by the choir, at the 11 a.m. service.

Hikers are urged to walk

the nature trails of Macaulay Mountain site.

Maps of the route are available through the week from the PERCA offices. On week-ends and after hours, information can be found from a billboard at the foot of the trail.

The public is urged to use the nature trails and to enjoy the scenic stands of hemlock at Macaulay Mountain.

A number of service clubs have agreed together to attempt once again to obtain a swimming pool for Prince Edward County. The group is led by the Kinsmen Club of Picton. They have suggested that a Junior Olympic sized pool be built in the Prince Edward County Fairgrounds.

The Club wishes to build the pool in answer to a number of problems:
-water pollution around the

county;
-lack of transportation and access to swimming areas;
-lack of teaching facilities for County youth.

The pool will be 82 feet by 42 feet, including change rooms, decks, and storage areas having a capacity for 200-250 persons.

It is believed that the pool would cost \$120,000, to be provided partially through grants and through donations.

Deputy-reeve Richardson commented there have been several fires in Picton that might have been prevented if inspection had occurred.

Avoiding sudden, violent death is the reason usually given for the need to fasten safety belts. But many people seem to have become immune to that appeal. A suggestion for an alternative approach, noted by the Ontario Safety League, is that a more effective appeal might be: "It may save your teeth, nose, cheekbones and chin. Avoid facial disfigurement!"

out reaching a conclusion.

One of the major stumbling blocks in the negotiations was the Crown Employees Collective Bargaining Act which provides for an Arbitration Board chaired by a person designated by the

Government.

The C.S.A.O. wanted an arbitrating group designated at least half by the C.S.A.O. and half by the government. The new rules were accepted by the local teachers on October 7.

Qualifying residents 65 or older should now have at least \$2700 a year.

This is what Ontario is doing to guarantee that income.

Your Ontario Government believes senior citizens should now have a guaranteed annual income of \$2700 a year for single persons, and where both spouses qualify, \$5400 for married couples.

So, if you are 65 or older, with an income of less than \$2700 a year...and have lived in Canada for at least the past 5 years and in Ontario for the last year you may qualify for GAINS

GAINS is Ontario's Guaranteed Annual Income System. It is designed to ensure an annual income of \$2700 by making up the difference between the GAINS guarantee and income from other sources.

Over 260,000 senior citizens are now receiving benefits under this program.

If you receive Old Age Security and the Guaranteed Income Supplement, your eligibility for Ontario GAINS is determined automatically. **You do not have to apply.**

If you are not receiving GAINS payments but feel you may qualify, please give us a call.

Blind and disabled people now receiving assistance from Ontario's Family Benefits program are also entitled to GAINS.

CONTRACT AWARDED TO BELLEVILLE FIRM

OMB Approves Arena Plan

The Ontario Municipal Board has approved an application for construction of a \$325,000 community centre in Deseronto.

Clerk-Treasurer for the Town of Deseronto, Sam Knapp expressed official approval of the plan on Oct. 11, and building is expected to commence soon.

Building Chairman, Jack Layfield and Fund-Raising Committee Chairman Clarence Aiemann both had considerable praise for Mr. Knapp, Reeve George Lyons, and MLA Clarke Rollins for their assistance in speeding the application through official channels, passing necessary by-laws arranging financing, and arranging the sale of the former rink site to the Ontario Housing Corporation, all in the two-month period since the approval of the federal-provincial loan in late July.

Mr. Layfield will be meeting on Wednesday night with Peter Anderson of Greer, Galloway and Associates to finalize building details. Mr. Anderson is an engineering consultant.

A tender for the construction of the arena has already been awarded to Bell-Con Construction Ltd. of Belleville.

The fund-raising committee met last night (Tuesday) to discuss acceleration of their fund drive, and to inform the public of the latest developments in the project.

Mr. Zieman estimates that an additional \$35,000 must be raised by the fund-raising committee for items such as dressing room washrooms, concrete arena floor, seating, painting, completion of the hall, and other facilities which had to be cut from the original proposal in order to lower the contract price to

\$325,000. Some local people have already agreed to continue with their monthly pledges until September, 1975, and the committee plans to extend their mail canvass to Napanee in the near future.

Mr. Zieman is optimistic that local residents, business and service clubs will step up donations to the project, now that construction is beginning. Donation, which will qualify for income tax deductions, are to be made payable to Town of Deseronto Community Centre Fund, c/o Manager, Canadian Imperial Bank of Commerce.

Public school news

The students of Deseronto Public School will again be collecting money for Unicef during Halloween activities. The only students who will canvass the town will be approximately 30 Grade 6 students, who will canvass door-to-door during school hours. In this way, the money can be returned to the school, counted and banked before the evening activities start. Other activities scheduled during the Halloween period will also contribute to UNICEF Funds.

The Pre-Kindergarten program which has been offered at the school for the last few years will again be in operation. This program is staffed by volunteers from the community. The hoped for starting date is the first week in November. Parents who would be interested in having their child attend the six-week Pre-Kindergarten program are asked to call the school for further details. To be eligible, a child must be four years old by the 31st of December, 1974.

Deseronto Council

The regular meeting of the Deseronto Town Council was held on Monday, October 21 at the Deseronto Council Chambers. All were present with the exception of Reeve Lyons. During the course of the meeting council:

- received a telegram and letter advising of Ontario Municipal Board Approval of plans for construction of the community centre.

- received a letter from the Association of Municipalities of Ontario asking council to support resolutions A & B concerning the proposed Bell Telephone Rate Increases. The AMO also requested that council pay their share of AMO expenses in the matter, in the amount of \$18.44. This was approved. Councillors Neal and Dickinson declared conflict of interest in this matter and refrained from voting.

- received a letter from Napanee District Secondary School advising that Miss Mary Ann O'Brien was the winner of the Deseronto Memorial Scholarship. Miss O'Brien will be presented with her award on Nov. 16 by Councillor Dickinson, who will represent Deseronto Council at the graduation ceremonies on that date.

- the schedule of accounts in the amount of \$5,425.42 was approved for payment.

- two special accounts were approved for payment:
 - 1) to Belleville Truck Centre in the amount of \$1152.30 for repairs to the Town's International Truck.
 - 2) to Dom Tar Chemical Co.

in the amount of \$408.55 for the supply of winter salt.

- Councillor Dickinson of the Fire and Police Committee reported that the Committee has met with the Town Constables who have submitted a tentative contract. They will meet again in one month's time.

- Councillor Whalen of the Streets Committee made three recommendations:

- 1) the purchase of 2 rear tires for the backhoe
- 2) the purchase of 2 snow tires for the pick-up truck.
- 3) the purchase of 700 feet of snow fence.

Mr. Whalen also reported that the parks in Deseronto have been fully prepared for the winter, and that the town foreman still has two weeks vacation coming.

- two by-laws were approved:

OUR APOLOGIES

In last week's Scanner we carried a story concerning federal tax deductions from the paychecks of Indians employed on the Tyendinaga Reserve. In the story we stated that the paychecks shown were from Tyendinaga Mohawk Ltd. These paychecks were NOT from Tyendinaga Mohawk Ltd., and that company DOES NOT deduct federal income tax from the paychecks of their Indian employees.

The company in question was Truscart Ltd.

We apologize to the staff and management of Tyendinaga Mohawk Ltd. and to our readers in general for our erroneous article.

Quinte News Round Up

After five months of strike action, employees at Emerson Electric in Napanee voted last week to accept a 90 cent an hour increase over two years.

The workers will receive 40 cents of the increase retro-active from April 6. Another 10 cents will be added on Feb. 1, 1975, and 10 more cents on April 15, 1976. The contract will expire Nov. 1, 1976. In addition, a number of the plant's employees will receive classification adjustment, adding 40 to 77 cents to their hourly rate.

29 stores when filled, and the company operating the mall has already rented over 76,000 square feet since its opening.

The stores range from a department store to a grocery outlet, and includes a branch bank and a discount gas station. Available are sporting goods, clothing, a gift shop, hair-dresser's and a dining lounge.

Prince-Edward Hastings MP George Hees has been appointed a member of the standing committee for external affairs and national defence. Mr. Hees will also continue his role as opposition spokesman for industry, trade and commerce.

According to developers, there are only eight store spaces left to be filled at the new shopping mall in Napanee. The centre will house

will be raising money for Unicef this year by staging a dance marathon in the junior cafeteria. Couples competing will be sponsored by the hour for the eight-hour event.

In addition, funds will be raised through bake sales, penny collections and a cook-out at a football game.

The town of Trenton has received an unexpected \$50,000 subsidy from the Provincial government to assist in the paving of streets.

Streets on which curbs have been installed will no longer have to wait until next year for asphalt paving, as had originally been planned.

James Plomer of Black Creek, who has represented

South Marysburgh Township on the Prince Edward County Board of Education for 10 years, has announced that he will not seek another term this December.

The former Royal Canadian Navy Commodore stated that his decision was made because of other commitments.

The contract for the renovation of the Lennox and Addington County jail building into a site for a new county museum has been awarded to McConnell and Sons building contractors. The project is expected to be completed by May 31, 1975.

Mrs. Kay Hood 396-2119

The Ladies Aid and W.M.S. meeting of the Presbyterian Church was held on Wednesday evening, Oct. 16 at the home of Mrs. Blake Moore, with seven members present. The president, Mrs. Jean Griffiths thanked the hostess and welcomed the members. Mrs. Kay Hood was in charge of devotions and Mission Story, assisted by Mrs. Griffiths and Mrs. Moore. Correspondence was read. It

was decided to have a Centennial Lamplight Tea and Bazaar on Dec. 7 from 7 to 9 p.m. This is in cooperation with the Presbyterian Centennial year from June 1974 to June 1975. Next month's meeting will be at the home of Mrs. Hood. Following the closing with the Mizpah Benediction, a small auction sale was held, proceeds for mission. Refreshments were served by the hostess and committee and a social hour was enjoyed by all.

Glad to hear that Mrs. Beryl Herman, who is in the Lennox and Addington County General Hospital, is feeling much better.

Recent callers at the home of Mr. and Mrs. Don MacMillan were Mrs. Jean Stubbs and children from Belleville.

Mr. and Mrs. Paul Sevcik, of St. Hubert, Quebec, and Mrs. Gladys Miller of Yorkville, N.Y. were guests of Mr. and Mrs. Don MacMillan. They attended the funeral of Mrs. Miller's and Mrs. MacMillan's sister, of Odessa.

Notice of Information Centre

Transmission Line Study for Prince Edward County

An Ontario Hydro Study team has for some months been examining alternative routes and voltages for the transmission of additional electric power into the County.

Since February, when public meetings were held in your area, the team has gathered and evaluated precise information concerning alternative rights-of-way from the mainland into the County. As a result, Ontario Hydro will recommend to the Minister of Energy for his consideration that a 230,000 volt transmission line be constructed from a point southwest of Napanee to a new transformer station near Picton. Ontario Hydro will further recommend that submarine cable be used to cross the Long Reach.

You are invited to examine the material which has been compiled and to discuss the recommendation and the alternatives with Hydro's representatives at the following information centre:

October 24, 25 and 26
Ministry of Agriculture and Food Building—Napanee
(Please enter from Robert Street)

Open to the public...
9:00 a.m. to 9:00 p.m., Thursday and Friday
9:00 a.m. to 5:00 p.m., Saturday.

Maps and aerial photographs illustrating the alternative rights-of-way, together with background data, will be on display. We hope that you will visit the information centre; however, if that is not convenient and if you have a specific question about the study, please write to:

and Campbellford have voted, by a narrow margin, to accept a company wage offer, in a vote taken last week. Strike action had been threatened.

The sorkers will receive a 25¢ hour cost of living increase over the two-year contract. In addition, incentive workers will receive 23 cents more the first year and another 20 cents the second for hourly work. Piece work rate work will go to 10.7 per cent.

The contract is retroactive to Oct. 4

Bruce Turner, predator control officer for the Ministry of Natural Resources, eastern region, doubts that the wolf bounty will be brought back to Lennox and Addington County.

L&A County has been asking the government to take action to protect deer this winter.

Mr. Turner states that most of the damage is done by wild dogs and hybrids (wild dogs and wolves), not by the

wolf, or the smaller coyote that abounds in this area. The animals most people mistake for wolves weigh

about 28 lbs. Timber wolves found in the northern section of the county weigh up to three times that size.

Obituaries

ARTHUR ROBERT MACDERMAID

MACDERMAID, Arthur Robert of Picton, Ont. passed away on October 18, 1974, in Picton, at the age of 63 years.

Mr. MacDermid was born in Deseronto to the late Charles MacDermid and the late Laura Wager, and was the beloved husband of Gena Heffer. He was the dear father of Donald Arthur, of Belleville; Donna Elizabeth (Mrs. Douglas Manlow) of Solmesville; Marilyn Gertrude (Mrs. Maurice Rollins) of Belleville; Darryl Frederick, of Conway; Robert Charles, of Port Colborne; and Larry Duane, of Oshawa.

Mr. MacDermid is survived by two brothers and four sisters, Elmer, of Oshawa; Donald W. of Solmesville; Mrs. Ruby Holcomb, of Curtis; Mrs. Marion Naylor, of Green Point; Mrs. Hazel Amon of Northport; and Mrs. Jean Hammer, of Oshawa.

Mr. MacDermid was a retired farmer and ferry operator, and a member of the Masonic Lodge, Picton, the Benevolent and Protective Order of Elks, Picton, and the United Church.

Funeral took place on October 21, 1974 from the White and Morris Funeral Home, Deseronto. Rev. W. James Cullen of Northport officiated. Pall bearers were Ted Rutter, Bill Jeane, Hutton Martin, Bart Branton, Forde Curlette, Leonard Milligan, and Malcolm Anderson.

Interment followed at Deseronto Cemetery.

GEORGE BLAYNEY

BLAYNEY, George of Ungar's Island, Deseronto, formerly of Willowdale, Ont. passed away at his late residence on October 18, 1974 at the age of 69 years.

Mr. Blayney was born in Oshawa, Ont. to the late Robert Blayney and the late Mary Elizabeth Brent, and was the beloved husband of Muriel Dellor. He was the dear father of Allan, of Deseronto, and Patricia (Mrs. Donald Dellor) of Deseronto.

He is survived by Robert,

John, James, Ross, Fred, Lewis, Mertle (Mrs. William Ferguson), Mable (Mrs. George McGregor), Jessie (Mrs. Cecil Everett) and Helen (Mrs. Geo. Bradley).

Mr. Blayney was an automotive department store manager and was a member of the United Church.

Funeral took place on October 21, 1974 with Rev. Robert Thompson of the Deseronto United Church officiating. Pall bearers were Ross, Jim, Bob, Fred and Earl Blayney and Jack Dellor. Interment followed at Deseronto Cemetery.

HAROLD (DUTCH) TRANSUE

TRANSUE, Harold of 332 Main Street, Deseronto passed away at his late residence on October 17, 1974 at the age of 67 years.

Mr. Transue was born in Easton Pennsylvania to the late Joseph Transue and the late Flora Kelchner. He was the beloved husband of Frances Bickel.

He is survived by a sister, Helen (Mrs. Lloyd Setter) of Deer Park, Wisconsin.

Mr. Transue operated the T.N.W. Gas & Appliance in Napanee and was a member of the United Church and a former member of the Napanee Lions Club.

Funeral took place on October 19, 1974 with Rev. Robert Thompson officiating. Pall bearers were Mitch Roebuck, Dave Roebuck, Brian

Roebuck, Barry Roebuck, Don Hubble and Donald Taynor. Interment followed at Deseronto Cemetery.

SHARPI TO RETIRE

Dickinson to Run for Mayor

Mayor James Sharpe, who will not be running again.

Deseronto Councillor Peter Dickinson has announced his candidacy in the forthcoming Municipal Election.

Married, with four children in school, Mr. Dickinson feels that he is in close touch with family problems in Deseronto. He has served on the Recreation and Police Commissions during his four year on Council, and is a firm believer in Municipal Control of Police and will continue to support proper policing of the town.

Mr. Dickinson aims to see the new Water Service and Community Centre projects

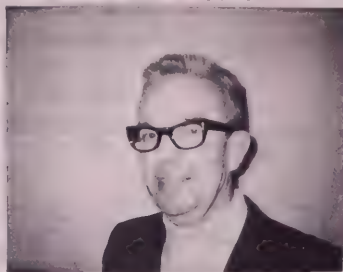

brought to a satisfactory conclusion on a sound financial base during the next two years.

Mr. Dickinson is aiming for the position of Mayor, which has been left vacant by the retiring James Sharpe, who has moved to Kingston, and is, therefore, not eligible to run.

He is the head of the Department of Business Education at Napanee District Secondary School.

No other members of the Deseronto Town Council have disclosed their intentions as yet.

Nominations are open Nov. 7 to 12.

Peter Dickinson, who is running for Mayor.

Halloween Dance

Deseronto Police and Fire Departments are sponsoring a dance for the youth of the town on Friday evening from 7:30 to 11:30 p.m. at the Deseronto Public School. Adequate supervision will be on hand for the duration of the dance. Admission is 25¢ for those in costume, 50¢ for those in ordinary clothing. The profits from the dance will be turned over to the school's student council, to be given to the UNICEF fund. Parents are urged to send their children to this dance.

In addition, the police department offers the following safety tips for Halloween:

- 1) choose a light coloured costume that will be easily seen

- 2) use makeup instead of a mask so your vision will not be obstructed.
- 3) establish both boundaries and curfew and stick to the arrangement.
- 4) do not treat in small areas or alone at night. One member of the group should have a flashlight.
- 5) Always be sure to bring your treats home before eating any. In some areas parents have found razor blades in apples and pieces of glass in home made candy.
- 6) Don't enter houses or apartments unless an adult gives his approval.
- 7) PARENTS - very young children should be accompanied

- by an adult on their rounds.
- 8) remember the six ELMER safety rules for your own safety.

Bata Has Birthday

Bata Footwear, Ltd., which employs 73 people in Picton celebrated its 30th anniversary on Saturday.

The plant, which opened in Picton in 1944 is part of Bata, Ltd. which was founded

in Canada in 1939. Sub plants of the large Batavia plant are located in Picton and Campbellford.

A tour of the plant was conducted on Saturday, and visitors were shown the various processes in making a shoe. Pamphlets explaining the history of the plant were distributed and balloons were given out to the children.

The Bata Company was founded in Czechoslovakia in 1894 by Thomas Bata. His son, Thomas J., is currently the chief executive of the

Quinte News Round Up

Last week, a Belleville man complained to Belleville-Town Council about a booklet on sale at Cole's Quinte Mall Bookstore. The booklet gave instructions on how to grow marijuana.

This week, Cole's reports that they have had a rush on the booklet - thanks to the publicity.

The manager of the store reported that he could have sold dozens of copies if the book had not already been removed - recalled by the Toronto Head Office.

The publication was entitled "The Complete Guide to Growing Marijuana".

Final decision for another week or so.

Also losing again for the board are Clare McFaul, trustee for Hillier Township, William Lane and John Huskisson.

James Plamer, trustee for

South Marysburgh will not run again because of other commitments, and Mrs. Dorothea Carson, of North Marysburgh will retire. Jerald Anderson, Jerry Bond, Everett Robinson, Edward Rutter, Douglas Caley and Hutton Martin have not yet made their decisions.

Two North Marysburgh residents who are interested in the vacancy left by Mrs. Carson are Jack Christie, who is the biologist in charge of Glenora Fisheries and Kenneth Ferguson, who works on the Glenora Ferry.

The hamlet of Shannonville will have a new lake and lamprey eels will have no place to breed in the Salmon River.

The crew is completely damming the river with solid

concrete at the site of the old dam just south of highway 2.

The dam will create a small lake above it, which delights the Shannonville residents. It will add to the recreational value of

Mrs. Kay Hood 396-2119

Mr. and Mrs. Don MacMillan and Mrs. Kay Hood attended the Festival of Praise service at St. Andrew's Presbyterian Church in Belleville on Sunday evening.

The service was in connection with the Presbyterian Centennial.

Miss Joy Randall, a missionary nurse to Taiwan, will be guest speaker at the Church of the Redeemer 2 p.m. Service on Sunday, Nov. 3.

There were 8 tables of card players at the Mohawk Guild Euchre Party on Tuesday evening.

Oct. 22, the first card party of the season held at Mohawk Community Centre. Winners

were:
Ladies first - Pearl Creegan
Men's first - Phillip Maracle
Ladies 2nd - Lily Brant
Men's 2nd - Albert Maracle
Ladies Consolation - Margaret Rogers
Men's Consolation - Norway Maracle

Most Lane Hands - Phillip Maracle.

Mrs. Joan Brant won the door prize and a bag of groceries. Pearl Creegan won the draw on a prize donated by Eva Maracle.

The next Card Party will be held at the Community Centre on Tuesday, Nov. 5 at 8.00 p.m., sponsored by the Senior Citizens.

The October meeting of

the Catholic Women's League was held at the rectory, on the twenty-second of the month. There were eleven members present.

The meeting opened with prayer by Father Van der Heijden, after which the reports from a very successful bazaar were read. The final proceeds will be available at the next meeting. The prizes for the "Grand Draw" were won by Robert Hawthorne, Ida Hudson and Alice Jackson.

The Catholic Women's League wish to take this opportunity to thank everyone who helped so well to make the bazaar a success.

After the business part of the meeting, Father Van der Heijden showed a film on the handicapped. Refreshments were then served.

The next meeting will take place on November 19.

DEATH

THOMAS JOSEPH CURRIE

CURRIE, Thomas Joseph of 86 First Street, Deseronto passed away on Oct. 24, 1974 at the Lennox and Addington County General Hospital in his 72nd year.

Mr. Currie was born in Marysville, the son of the late Thomas Currie and the late

Catherine Drummey. He had resided in Deseronto since 1958.

He is survived by two brothers and a sister, James of Red Lake, Ont., Harry of Oshawa, and Nora (Mrs. Rene Roy) of Warren, Ont. He was predeceased by sister Mrs. Mary Killoran of North Bay, and brother Raymond of Peterborough.

Mr. Currie was educated in Marysville and Deseronto and worked as a farmer. He was a member of St. Vincent de Paul Church, Deseronto.

Funeral took place on Saturday, Oct. 26, 1974 with Rev. Gilbert Van der Heijden officiating. Rev. J.J. O'Neil, parish priest of St. Patrick's Church, Napanee was present in the sanctuary, and Rev. W.A. Dwrye said prayers at the grave. Pall bearers were

Jack Mooney, Jack Whalen, Jerry Lott, Vincent Sexsmith, Ron Roy, and Larry Roy.

Interment followed at Holy Name of Mary Cemetery, Marysville.

Thank You

CARDS OF THANKS - The family of the late Francis John wish to thank all their friends relatives, and neighbours for their kindness on their recent bereavement.

NOVEMBER GARDENING HINTS

November is an excellent month for spring preparations. Pile dead leaves and plant residues on your compost heap so there will be fresh humus to give your garden an early boost next year. Str

boost next year. Store fertilizer left over from this season in plastic bags for easy use in April or May.

Plant trees and shrubs until the ground freezes solid. Water newly l

Water newly planted evergreens well to prevent the drying out of foliage that helps to

cause winter burn.

For a lively display next summer and fall, hill roses up with soil and mulch chrysanthemums with a 4-inch layer of peat moss or clean straw.

Now is also the time to put potbound houseplants in larger containers. Place them in a mixture of soil with compost and sand added. Shred or sift it before using it, and store any left over in plastic bags.

To keep healthy, trees and shrubs need particular care now. Feed them a general purpose garden fertilizer with a 10-10-10 or 5-20-20 nitrogen, phosphate potash ration for shade and flowering trees and shrubs. Even a turf fertilizer without additives can be used successfully.

For flowering shrubs, use 1 to 1½ lbs. for each 100 square feet of root bed area. Shade and flowering trees should receive 1 to 2 pound for each 1 inch diameter of the main trunk. Spread the fertilizer evenly under the full width of the branches.

A mulch of manure 3 to 4 inches thick, applied in the late fall, is best for evergreens.

DECISION

The Canadian Radio-Television Commission announces the following decision effective October 21, 1974.

Decision CRTC 74-390

CORNWALL, DESERONTO, OTTAWA, ROCKLAND, ONT., AND HULL, AYLMEYER, LUCERNE, DESCHENES AND TOURAINE, QUE.

Application for approval of the transfer directly or indirectly of the effective ownership or control of:

- a) Bushnell Communications Limited, licensee of a cable television system in Rockland, Ont.
- b) Ottawa-Cornwall Broadcasting Limited, licensee of CJOH-TV Ottawa, CJOH-TV-8 Cornwall and CJOH-TV-6 Deseronto, Ont.
- c) Laurentian Cablevision Limited, licensee of cable television systems in Aylmer, Lucerne, Deschenes, and Hull and Touraine, Que.
- d) Skyline Cablevision Limited, licensee of a cable television system in Ottawa, Ont.

and of the broadcasting undertakings operated by them, through the transfer of 894, 802 common shares (52%) of Bushnell Communications Limited from Western Broadcast Holdings Ltd., to Campeau Corporation.

Decision: DENIED

This application was heard by the Commission on October 10th, 1974, at a Public Hearing held in Ottawa, Ont.

Campeau Corporation ("Campeau") is a diversified real estate company based in the City of Ottawa and engaged in land development, the construction and sale of housing, the development, construction and management of commercial and residential properties and the sale of lumber and building products. Except for a small shareholding in Skyline Cablevision Limited, the licensee of a cable system serving part of the City of Ottawa, Campeau has no other interests in broadcasting undertakings or experience in the operation of broadcasting undertakings.

Bushnell Communications Limited ("Bushnell") through its subsidiary, Ottawa-Cornwall Broadcasting Limited, operates television station CJOH-TV, Ottawa, with rebroadcasting transmitters located at Deseronto and Cornwall, Ont. and provides alternative Canadian television service to the Eastern Lake Ontario - St. Lawrence Seaway - Ottawa Valley Region including the cities of Kingston and Cornwall. Also, Bushnell and its subsidiary, Laurentian Cablevision Limited, control cable systems serving Rockland, Ont. and Hull, Aylmer, Lucerne, Deschenes and Touraine, Que. As well, Bushnell has a substantial ownership interest in Skyline Cablevision Limited which serves part of Ottawa.

The Commission is not satisfied from the evidence produced in the written application and at the Public Hearing that Campeau had considered adequately and made provision for the obligations and responsibilities inherent in the operation of Bushnell's various broadcasting undertakings. In particular, the representatives of Campeau were not, in the opinion of the Commission, sufficiently specific in expressing their programming plans for these broadcasting undertakings or in explaining how Bushnell under Campeau's ownership would function within the CTV Network, of which Bushnell is a dominant member.

The Commission also took note of the concerns expressed by the intervenors regarding the possible conflicts of interest that might arise between the objectives of a company engaged in the development and management of real estate and the responsibilities imposed on broadcasters by the Broadcasting Act. The Commission agrees that such public issues as government housing policies, regional planning, the re-zoning of lands and the relationship of landlords to tenants contain a potential for conflict between the objectives of a developer and manager of real estate and the responsibilities of broadcasters to provide balanced opportunity for the expression of differing views on matters of public concern. In the opinion of the Commission, the representatives of Campeau failed to respond adequately to these concerns.

In view of its denial of this application, the Commission will expect a further application for the divestiture of the Bushnell shares held by Western Broadcast Holdings Ltd. to be placed before it not later than April 1st, 1975. Such application should take into account the concerns of the Commission expressed in this and previous decisions and public announcements concerning the shareholdings of Western Holdings Ltd. in Bushnell.

In its Decision 74-58, the Commission stressed that it expects the dominant CTV stations not only to provide a local service but to contribute to regional and national services as well. The decision stated that CJOH-TV has the complex responsibility within the CTV network of reflecting to the rest of Canada the National Capital area, with its distinctive bilingual and bicultural character, as well as the other communities of the Eastern Ontario triangle, with their varying historical, social and cultural traditions. The decision also recognized that Bushnell, with excellent studio and technical facilities, has been active in the production of television programs not only for the CTV Network but for other networks and for international syndication. The Commission will expect any future applicant to demonstrate an awareness of these important functions of Bushnell and to develop concrete proposals to ensure their fulfilment.

Good Citizenship deserves a medal

Do you know anyone here in Ontario who—through selflessness, humanity and kindness without expecting anything in return—has made this a better province in which to live?

That's the kind of person for whom the Ontario Medal for Good Citizenship was established.

Recipients are selected by an independent Advisory Council of Ontario citizens whose honorary chairman is the Lieutenant-Governor of the Province.

Anyone may nominate a person for the Ontario Medal, and nomination forms are available by writing:
